**Brass-Nickel  
Touring Region**

**Antique Automobile  
Club of America**

---

## **NATIONAL AACA**

<http://www.aaca.org>

The Antique Automobile Club of America (AACA) was founded in 1935 in Philadelphia. It is the oldest and largest automobile historical society. It is a non-profit corporation dedicated to the preservation, restoration, and maintenance of automobiles and automobile history. Worldwide membership today is in excess of 59,000.

### **MEMBERSHIP**

Dues are \$35.00. Besides a subscription to the bimonthly National magazine *Antique Automobile*, the member is entitled to vote, hold office, join an AACA region, exhibit cars, participate on tours, and compete for national prizes and annual awards. The spouse may be included at no extra charge.

### **LIFE MEMBERSHIP**

For a one-time payment of \$600, the applicant receives a lifetime membership in the AACA (no annual dues are required). The spouse may also be included at no extra charge. Both members enjoy all the privileges of membership except only one copy of the *Antique Automobile* is mailed per household.

### **STUDENT MEMBERSHIP**

With a copy of a valid ID or other student verification, a member ages 16 to 21 may become an AACA member for \$12 per year. All member benefits are included with student membership.

### **JUNIOR MEMBERSHIP**

<http://www.aaca.org/junior/>

For still younger members, the AACA offers a junior membership for young people through age 15 for \$10 per year. Although not able to vote in the general election or enter the judging program until they meet certain criteria established for Judges, junior members receive their own newsletter, *Wheels*, four times a year. Educational programs are also offered at all National

meets and most tours. Ownership of an automobile or parental membership is not a pre-requisite of membership.

### **BRASS-NICKEL TOURING REGION**

<http://www.aaca.org/bntc/>

The Brass-Nickel Touring Region (BNTR) was originally chartered in October 1997 as a non-geographical chapter of the NC Region. In February 2001, it converted to a non-geographical region. Membership is open to all AACA members who have a special interest in motor vehicles 1931 or older. The main emphasis and focus of the region is touring and having fun with your car. The region meets about every 6 to 8 weeks during the touring season. Dues are \$10.
