AACA members own many thousands of historic automobiles, rare collections of literature, books, films, pictures and other material significant to automotive history.

VEHICLES

Motor vehicles of all types, 25 years old and older are grouped for competitive purposes into many classes according to age and mechanical features. AACA has a comprehensive judging system that allows members to earn significant awards for their vehicles. AACA also recognizes original cars, Historic Preservation of Original Features (HPOF) and unmodified 25 year and older vehicles that are driven, Drivers Participation (DPC) and have not obtained a First Junior award within our judging system. The club recognizes classes of motorcycles and documented race cars as well. Further details can be found in our judging manual which is available online at www.aaca.org. Further details are available by contacting the AACA Vice President-Class Judging.

THE MAGAZINE

AACA's official publication ANTIQUE AUTOMOBILE is the country's foremost automotive historical magazine. Amply illustrated, it is distributed bi-monthly to all members. Membership in the national Antique Automobile Club of America is a prerequisite to joining a region or chapter.
