

**AACA National Meeting**  
**Deluxe Motor Coach Trip to Philadelphia, PA.**  
**February 13 & 14, 2009**

Come and Climb aboard the BIG BLUE BUS to Philadelphia! Once again The Hershey Region will be providing transportation to the Annual AACA Meeting in Philadelphia, PA. We will be traveling in comfort aboard a Conestoga Tours 47 passenger deluxe motor coach. If you have gone before you know how nice it is to go down on the coach and sit back, relax and let someone else do the driving and worry about the traffic.

If you have never attended an Annual Meeting this is the perfect opportunity for you! You'll want to be sure to attend the seminars, trade show and judging classes as well as see some of the local sights, such as The Liberty Bell and Independence Hall. Maybe even get a REAL Philly Cheese steak.

**The Schedule below will be the same for both Friday and Saturday trips.**

- 5:30 AM - The Motor Coach leaves the Chuck Wagon Lodge.  
Snacks and drinks provided on the way down
- 7:30 AM - Arrive at the Sheraton Hotel for The AACA Meeting.
- 4:30 PM - Leave Philadelphia
- 5:30 PM - Stop at Hoss' for dinner. (Dinner will be on your own)
- 8:00 PM - Arrive back at the Chuck Wagon Lodge.

You must register with AACA to attend the meeting and scheduled events. Information on registering can be found in The Antique Automobile or on the AACA web site.

If you plan to spend the night, you are responsible for making your own hotel reservations. Please call the Sheraton Hotel direct to reserve your room.

**Please Return No Later Than January 24, 2009**
