

Point Run #6  
 Shrimp Feed  
 August 16, 2009  
 www.unionfire23.com

For our sixth run of the year the brave men and women of the Union Fire Company have volunteered to put on a customized version of their famous shrimp feed for us. This will be very similar to their semiannual shrimp feeds held in March and October, only customized especially for the Hershey Region. The volunteer men and women of Union Fire Company serve their community and York County by donating many hours and risking their lives responding to over 800 fire and rescue calls each year.

We will meet at the John Wright Store along the Susquehanna River in Wrightsville, PA. Then take a leisurely drive through the woods and hills of York County ending at the Union Fire Company. Once we arrive at the fire company we will be served an all you can eat shrimp feast. Both fried and steamed shrimp served with Tim Steven's special homemade cocktail sauce. (Mmmm Yummmm) The meal will also include baked beans, chips, a couple of different types of bolognas and cheeses, coffee soda and water. For those of you that care not to indulge in shrimp we will be offering a Chicken dinner. In addition our host firemen will be giving you the opportunity to win valuable prizes. They will also be judging all the nice antique cars in their parking lot and awarding prizes to their favorites. A 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup>, place prize will be awarded to their favorite antique cars in the afternoon.

As an added bonus Jay Crist has offered to open up his car and truck museum to Hershey Region members. Jay is a member of AACA and a member of the Gettysburg Region. He has many very nice cars and an impressive collection of stand and drive milk trucks. You might have seen some of Jay's trucks at the AACA Museum over the summer of 2008, or on the show field of the 2008 Fall Meet. Jay's museum is located behind the Union Fire Company and is an easy walk across the alley.
