Antique Automobile Club of America

On Tuesday, January 26, 2016, the Muscle Shoals Region – AACA held its monthly meeting. We met at The Grimmitt Building in Sheffield, Alabama. This is a shop/garage owned by club member Charlie Grimmitt.

Those present included: James McCollum, Richard Hunnicutt, Sam Acres, Lester Cunningham, Bud Walker, Ronnie Hayes, Richard & Carol Sheridan, Joel Parris, J.C. Manley, Wayne Higgins, Don Fitts, Charlie & Sally Grimmitt, B.J. Thornton, Tim Vandiver, Joe Morrison, David Burcham, Bryan Hamilton, Bill Harrison, Ralph Stumpe, Tom Dugger and Bill Davis. Also joining us were two visitors: Frankie McDougal and Royce Massey. Frankie and Royce joined our club this night. Welcome aboard, Frankie McDougal and Royce Massey. We are glad to have you with us.

We enjoyed a meal at this meeting. Charlie & Sally Grimmitt served up two kinds of chili (beef and chicken), along with crackers and drinks. And, for dessert, they served ice cream and cookies. Thank you to Charlie & Sally for this tasty meal.

We watched a DVD about General Motors manufacturing of the 1930's. The titles were: "America on Wheels", "The Triumph of America", "Tough Friends" and "Auto-Lite on Parade".

Those members who had not done so were able to pick up their 2016-2017 club calendar and pay their local club dues to Treasurer James McCollum for 2016.

President Thornton announced that our next club meeting would be held on Tuesday, February 23, 2016, at 6:30 p.m., at this same location.

President Thornton had a matted, black & white photo to give away to one lucky person who could guess a random, two-digit number. The winner of the copy of a 1937 photo showing a migrant agricultural worker repairing a flat tire along California US-99 was Bill Davis.

Having no further business, our meeting was adjourned.

Respectfully submitted,
Bill Davis, Secretary
