## Muscle Shoals Region

### Antique Automobile Club of America

On Tuesday, June 23, 2015, the Muscle Shoals Region - AACA, held its regular monthly meeting. In June, we met on the south side of the river, at Sweet Peppers Deli, on Avalon Avenue in Muscle Shoals, Alabama.

Several members brought their older cars for a mini-car show. Bill Tompkins drove his 1973 Corvette; Paul & Deb Bryant brought their 1966 Ford Fairlane; Wayne Higgins brought his 1964 Buick Skylark; James McCollum drove his 1966 Ford Mustang and David Burcham drove his 1968 MGB. Two members brought their 1961 Nash Metropolitans: Mike Brackin brought a yellow & white one, and Charlie & Betty Cooper brought their turquoise & white car. Also, Larry Ticer drove his 1967 Chevrolet truck; Ralph Stumpe brought his 1970 Ford Mustang; Lester Cunningham drove his 1956 Ford Sunliner; Ellis Keene brought his 1966 Ford Mustang and Frank & Cinder Cavin brought their 1966 Ford Mustang. Additionally, Tom Dugger brought his 1977 Chevrolet El Camino and B.J & Carol Thornton brought their 1965 Ford Mustang.

Also attending the meeting were Richard Hunnicutt, Michael Blackburn, Bryant Hester, Bud Walker, Don & Gloria Fitts and Bill & Lynne Davis. We had two visitors at the meeting: Sam & Linda Acres.

We all enjoyed some good food, some great fellowship and got to see some very nice automobiles.

There was no business conducted.

At a drawing held at the end of the evening, Tom Dugger won an 8 X 10 black & white, matted photo of the "New" 1946 Ford. The photo shows the first post-World War II Ford coming off the assembly line.

Our next meeting is scheduled for Tuesday, July 28, 2015, at 6:30 p.m. No location has been selected at this time. The meeting place will be broadcast to all members at a later date.

Having no further business, the meeting was adjourned.

*Respectfully submitted,*  
*Bill Davis, Secretary*
