## Muscle Shoals Region

### Antique Automobile Club of America

On Tuesday, November 25, 2014, the Muscle Shoals Region - AACA, met at 6:30 p.m. in Sheffield, Alabama, at the Grimmitt Building. Those attending included: Joel Parris, Tom Dugger, Joe Morrison, Ralph Stumpe, Bill Harrison, James McCollum, B.J. Thornton, Brian Hamilton, Bud Walker, Lester Cunningham, Charlie Grimmitt, Richard Hunnicutt and Bill Davis. Also attending was one visitor, Braden Morrison. Light refreshments were served.

Old business: After discussion last month and tonight, the club will meet at Ralph Stumpe's garage at 6:30 p.m. on Tuesday, December 16, for the annual Christmas party. Ralph will purchase and cook the pork/beef/chicken. Club members are asked to bring the sides, plus a drink (soda, water, tea, etc.) to share and \$5.00 to help out with the cost of the meat. At a later date, a map to Ralph's garage will be broadcast.

New business: President B.J. Thornton asked all present to be thinking about who they would like to nominate to fill a club office for the coming year.

There was discussion among several members about cars they have acquired, sold or the status of cars under restoration now.

A drawing for a door prize was held. The winner was Joel Parris. He won a framed black and white photo of a 1949 Ford convertible.

We watched several short films. First, we saw the history of the Chrysler automobile and some television ads from the 1960's and 1970's. Next, we saw a video on the life and businesses of Henry Kaiser. We learned that the building of the Kaiser and Frazer automobiles was but a small part of Henry Kaiser's business empire.

Having no further business, the meeting was adjourned.

*Respectfully submitted,*  
*Bill Davis, Secretary*
