Members in Attendance

Joseph & Ann Brown, Marlin Crider and Linda Crider, Joel & Karel Daniel, Gerry & Kris Geddings, Al Heyn, Lloyd & Sharol Hoffman, Ken & Carol Lawson, Erling & Sandy Onsager, Dennis & Laura Ramsey, Bob Rutledge and Sharon Hall, Charlie & Margie Sauls, Alan & Elinor Snow, Jon & Mary Vanatta, Woody & Mary Ann Witczsak, Chuck Wintz, Ellis Ulrich and his son Kevin and Kevin's two friends Robert & Steve.

President Lloyd Hoffman called the meeting to order at 7:10 p.m. February minutes and treasurer's report was approved and accepted.

The weekend at the Boys Ranch turned out very well. They had at least 60 cars and collected over \$14/M dollars. We received a thank you from the AACA Museum for our \$75 donation. Don't forget the Clay County fair on April 5th.

Lloyd still has not received an answer from PDQ in Fruit Cove about having our car show there. Hopefully by next month we will know. We are still looking into other venues.

Elinor has sent out the sheet for "My Classic Car" to everyone who has not yet sent it in. She has received a couple of them back but would like more so that the newsletter will be a bit more interesting.

Mark & Hilary Becker and Nancy Ulrich were not at the meeting because the upcoming weekend will be featuring the Amelia Island's 20th year Concours d'Elegance. They have been working practically around the clock to make this years, the best one yet. Ellis's son Kevin and two of his friends are here to volunteer as they have done for many years.

Our next meeting will be held at Fisherman's Galley on San Jose Blvd. and we will be back at Santioni's in May.

Ellis Ulrich won the 50/50 again and the Attendance Award went to Joan Wagner. Too bad she wasn't here to collect.

Respectfully submitted
Elinor Snow

CAR'S YEAR, MAKE & MODEL:

1928 Ford, 60A, Leatherback Sedan

OWNER SINCE:
October 11, 2002

HOW YOU CAME TO OWN IT:

We had been looking for a '28-'29 Ford Leatherback to restore and this one came available from Noel Dana.

HISTORY OF CAR:

The 1928 Ford was assembled in the Ford Plant in Jacksonville which is located at the city side of the Mathews Bridge. The car was purchased by an Avondale family and was titled and paid county tax in Duval County as evidenced by a metal tag affixed to the wooden subframe crossmember. The car was owned by several families then purchased by Noel Dana who sold it to us in 2002. We then started a four year frame-off restoration which was completed in 2006
